consequence, its members do not represent any or various national or international ozone therapy associations; its members will act within ISCO3 only in their own capacity.

### **Objectives of ISCO3**

Among its main objectives are:

To update every five years the “Madrid Declaration on Ozone Therapy” in conformity with the scientific research carried out in different places around the world. The 4th edition will be published in 2025.

To discuss and approve papers on different subjects about ozone therapy that may help to understand the therapy, to disseminate its knowledge in a more scientific way, and to contribute that health professionals use the therapy according to recognized international standards.

### **Current members of the Governing Body**

President: Dr. Gregorio Martínez Sánchez

Vice President: Dr. Fadi Sabbah

Scientific Secretary: Dr. Adriana Schwartz
