RE: Application to become member of ISCO3

I wish to apply to become a member of ISCO3 (International Scientific Committee of Ozone Therapy).

I clearly stated that I:

- Support the objectives and work of ISCO3.
- Agree with the "Madrid Declaration on Ozone Therapy", ISCO3, 3rd. ed., 2020.
- Have read and understood the document: Rules of ISCO3 for the election of members of the committee".
- I promise to pay on the last day of February of each year, at the latest, the annual membership fee of 230 euros. If elected I have to pay the 2023 annual membership on June 30, 2023 the latest.
- Know that I might lost my membership for the following reasons: no to participate in the work of ISCO3; no to stick to the duty of confidentiality; no to pay on time the annual fees, no to comply in my daily activities with the different guidelines of ISCO3, such as the "Non recommended routes of application in ozone therapy", and the "Code of conduct of ISCO3 members"..

Please find attached a copy of my CV dully filled out written in the ISCO3 format (Template of the SOP ISCO3/QAU/00/07).

I am willing to provide additional information if required.
Sincerely yours,
